Request that you review the procedures for implementing Executive Order 12036 and advise as soon as possible whether you have experienced operational problems and desire any changes in those procedures. They can be found in your Headquarters Regulations as attachments to [redacted]. If you cannot provide any input by 8 February, PPG will respond for the Office. Note that we will have a second crack at this when they circulate a comprehensive set of proposed revisions in the near future.

No comment. We in C/P have had no problems here.

No comment. No problem I know of.
